

IRIS DIFFUSER

HOW TO REFILL *ZEN DIFFUSER*

NOTE: USE FRAGRANCE OIL ONLY – DO NOT ADD WATER.

Fully charge the car diffuser for 4-6 hours before first use.

Carefully pour the Rezaroma fragrance oil into the diffuser bottle, **filling it to approximately 80% capacity. Leave a 20% gap at the top to prevent any bubbling sounds during operation.**

Press the button to adjust fragrance intensity. A light green indicator means it's on, while a red light signals low battery or the need to recharge.
